

# Analysis of Marriage Licenses Issued between 2011 to 2024\*

Aakash Vaithyanathan

September 19, 2024

Study of marriage license issued by month between the month of 2011 and 2024 for various provinces in Canada.

## 1 Introduction

We use Wickham (2016), R Core Team (2024), and Gelfand (2022) in this project.

The remainder of this paper is structured as follows. Section [2](#)

## 2 Data

## 3 Discussion

The above graph was generated using data from Wickham (2016), R Core Team (2024), and Gelfand (2022). The graph shows the total number of issued marriage licences between the years of 2021 and 2024 for every month. ## First discussion point {#sec-first-point}

If my paper were 10 pages, then should be at least 2.5 pages. The discussion is a chance to show off what you know and what you learnt from all this.
